YERRA VENKAT PRAVEEN MALLIK

Y23 Batch Student at KL University || CSE (Honours through
research) || Web developer || Cyber Security || AI for Computational
Intelligence.

Visakhapatnam Rural mandal, India

Summary

I am currently pursuing my undergraduate degree in computer
Science in KL Deemed to University .Specializing in AI for
Computational and I have a strong background as a front-end web
developer, where I've honed my skills in HTML, CSS, JavaScript,
and various frameworks like React and Angular. In addition to my
web development expertise, I'm also skilled in using CapCut Pro for
video editing, which has allowed me to explore creative projects and
add a visual storytelling element to my work. I'm always eager to
take on new challenges and continue growing in these fields.
